We thank you for choosing Holden and want to assure you of our continuing interest in your driving pleasure and satisfaction.

This handbook applies to the current VT model. Therefore, due to different models and options you may find reference in this Handbook to some equipment not fitted to your own car.

Please note that all information, illustrations and specifications in this Handbook are based on the latest production information available at the time of printing. Holden reserves the right to make changes at any time without notice and without incurring any obligation.

Reference is made throughout this Handbook to different engines:

- V6 3800 (V6)
- SUPERCHARGED V6 (V6 supercharged)
- 5.7 ALLOY V8 (V8)

If unsure of which engine is fitted to your car, please lift the bonnet and check the identification on the top of the engine.
